

**UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

NATIONAL LABOR RELATIONS BOARD,

Plaintiff,

v.

Case No. 11-13533

MAYS PRINTING COMPANY, INC.,
et al.,

Defendants.

ORDER OF DISMISSAL

This matter was initiated on September 29, 2010, as an application for enforcement of a subpoena duces tecum. Plaintiff has had some difficulty obtaining the documents at issue in the subpoena, and the court recently set this case for a conference to determine the current status of the outstanding subpoena. On January 31, 2012, the court's staff was notified by Plaintiff's counsel that Defendants have now fully complied with the subpoena, and no further court involvement is necessary. Plaintiff's counsel further authorized a dismissal with prejudice. Accordingly,

IT IS ORDERED that this matter is DISMISSED WITH PREJUDICE.
